Madesimo is located on the Italian-Swiss border near the Splügen Pass in Lombardy.

The plenty heliski possibilities around the village are varied and offer a seemingly unlimited choice of runs. The location of Madesimo at the weather divide between northern and southern Alps usually gives us perfect conditions. On bad weather days, we use the small but fine ski area with many freeride possibilities. Food and wine from Lombardy complete the fantastic days in Madesimo.

Itinerary:

1st day: Hotel check-in. Meet & Greet with your guide or Heli Guides personnel to review your individual Heliski program and to do a material check. 2nd - 3rd days: Depending on snow, weather and avalanche conditions you will have to opportunity to heliski. In case of bad weather, off-piste skiing in the adjacent areas is offered. At the end of the last skiing day, it will be time for farewell and to return the rental equipment.

Additional costs:

Additional helicopter flights including transfers flights (see point additional vertical meter), ski pass if necessary, rental ski and snowboard equipment, lunch, drinks and all other services are not included.

Additional vertical meters:

We can quote you the trip package with a number of vertical meters of your choice.

Apart of that, we charge you on-site based on the effective vertical meters used in addition. The costs per group amounts to a total of 195.00 Euro for each 250 vertical meters (incl. tax).

Refund of helicopter flights:

There is no refund for down days in general. However, should the flight operation fail due to reasons such as wind, bad weather, avalanche danger or technical problems and the guaranteed vertical meter can't be reached in total, we refund each 250 vertical meters below the refund threshold at a rate of 170.00 Euro per group. There is no refund due to illness, accident, lack of fitness, insufficient skiing skills, late arrival and breaks during the ski day.
