Chamonix, the “Freeride-capital” of the Alps, does not need many words. The town is located at the foot of Mont Blanc. There are many reasons why freeriders all around the world are enjoying the winter here. Big turns and steep couloir were skied in Chamonix, when other places in the Alps still had been untouched. Our Heli ski chamonix destination is located in the nearby Courmayeur. Since heli ski is not possible in all of France. After skiing, you can enjoy a beer in one of the many bars in Chamonix.
