Valgrisenche is one of the biggest and best-known heliski areas in the Alps. In no other place in the Alps, heliskiing has a longer tradition than in Valgrisenche. The beginnings in this stunning Alpine region go back to 1982. The Valgrisenche extends across almost 30 kilometres – from the Aosta Valley to the completely untouched mountain ranges, which border on the French Tarentaise region. We are surrounded by peaks up to 3800m. Our descents start with 1300 to 2100vm.
