Our three-day program in Val Formazza the small heliski jewel in the Alps - the spectacular valley of Val Formazza is situated in the Piedmont Italy, between the Swiss regions of Valais and Ticino. The area is bordered by three majestic and inspiring peaks Ofenhorn (3250m), Blinnenhorn (3373m) and the Basodino (3270m), our highest landings. The region offers probably the most exclusive heli-skiing area in the Alps, with an endless variation of descents that will surprise even the most experienced heliskiers. Consistently enjoying the most snowfalls, Val Formazza provides an incredible 120 square kilometers to explore. In the Walser Schtuba, we enjoy the best cuisine of the region and the wine list leaves no wish unfulfilled.
